

OFFICE OF THE PEOPLE'S COUNSEL
SOLICITATION FOR PROFESSIONAL MANAGEMENT SERVICES
RFP#

BACKGROUND

The Office of the People's Counsel (OPC) has a requirement for a contractor to provide professional management services to assist with the management and restructuring of the Administrative Division. The Office of the People's Counsel "OPC" is an independent agency of the District of Columbia government. By law, it is the advocate for consumers of natural gas, electric and telephone services in the District. District of Columbia law designates the Office as a party to all utility-related proceedings before the Public Service Commission. The Office also represents the interests of District ratepayers before federal regulatory agencies. The Office is authorized to investigate the operation and valuation of utility companies independently of any pending proceeding OPC uses its website for education and outreach.

SCOPE OF WORK

The contractor should have a thorough knowledge of the Agency's budget structures, funding mechanism and knowledge of the agency's trust fund operations. The contractor should also be knowledgeable about the District's Government's financial and procurement operations.

The contractor shall provide professional management services to direct the Administrative Services Division, which includes oversight of the HR Specialist, Administrative Officer, and the Information Technology Department. The contractor will serve as the Agency liaison with the Agency Fiscal Officer to oversee fiscal responsibilities that include the implementation and oversight of the FY2014 budget, the development of the FY2015 budget, monthly monitoring of spending, and ad hoc financial requests from the District offices of the Mayor and Council. The contractor will also develop FY2014 agency spending plans, monitor expenditures to ensure Certified Small Business Enterprise [CSBE] goal attainment, as mandated, and establish necessary enhancements to facilitate a more strategic approach to planning non-personal services spending. Equally, the Contractor is tasked with cultivating an ongoing relationship with the AFO to ensure all programmatic needs of OPC are supported by financial management operations.

Additional responsibilities will include the development and implementation of administrative policies and procedures for efficiencies of operations.
