RFP Issue Date: May 17, 2016

Proposal Due Date: May 31, 2016

RFP No. OPC-2016-07

SECTION 1 - SCOPE OF WORK

I. Introduction

The Office of the People’s Counsel for the District of Columbia (“OPC” or “Office”) the statutory representative for District of Columbia ratepayers and consumers, seeks legal and technical services from qualified firms and individuals experienced in the area of public utility regulation. Specifically, the Office seeks firms and individuals with experience handling issues typically arising after a merger transaction. This request for proposals (“RFP”) is released pursuant to OPC’s contract and procurement authority as outlined in D.C. Code §§ 34-804(c) and 34-912.

II. Background

On March 23, 2016, in Order No. 18148, the District of Columbia Public Service Commission approved the merger of PHI and Exelon Corporation. The merger contained numerous commitments that must be met by either Exelon or PHI. The merger comes at an important time in the District of Columbia as the utility landscape is changing rapidly. Pepco is moving away from providing energy produced solely by fossil fuels and using a wide variety of renewable sources such as solar and wind. Residential consumers are also able to generate and sell energy back to the utility and commercial consumers are availing themselves of technologies such as microgrids that allow them to generate energy onsite. Also, Pepco is in the midst of investing a lot of money towards improving reliability and infrastructure resilience. Taken together, there is a great progress being made in the city and this merger must compliment and advance that progress.

Purpose statement: As the statutory advocate for utility consumers in the District of Columbia, the Office of the People’s Counsel is required to ensure the commitments outlined in Order No. 18148 are met. To achieve this important goal, the Office is developing a merger compliance team. This team will be interdisciplinary consisting of accountants, lawyers, engineers, and economists who will monitor the following commitments found in Commission Order No. 18148:

Corporate Governance – ¶¶ 8-11 (Corporate Presence in the District of Columbia), 49-52 (Pepco’s Management Structure), 53 (Board Structure)

Economic Benefits - ¶ 23 (Annual Economic Benefits Reporting)

Ring-fencing - ¶¶ 61-103 (Ring Fencing Protections)

Reliability - ¶¶ 54-60 (Service Reliability and Quality Standards)

Renewables - ¶¶ 113, (Advocacy for Energy Efficiency and Demand Response), 119-125 (Enhancement to the Interconnection Process and Support for Customer-Owned Behind-the-Meter Distributed Generation)

Employment - ¶¶ 12-21, (Employment in the District of Columbia), 22 (Workforce Development)

Qualifications

The accounting consultant(s) must have particular expertise and knowledge of utility accounting practices, mergers and ring-fencing provisions.

The legal consultant(s) must have particular expertise and knowledge of public-utility regulation, compliance monitoring, mergers and corporate governance.

The engineering consultant(s) must have particular expertise and knowledge of public-utility regulation, utility distribution networks, reliability improvement practices, an understanding of current and upcoming trends related to different types of distributed generation, and a particular knowledge of and experience with conservation of natural resources and the preservation of environmental quality.

The economic consultant(s) must have particular expertise and knowledge of economic analysis and reporting.

Scope of Work

The services that the selected Offeror(s) shall provide include, but are not limited to:

- Monitor Exelon and PHI's compliance with the commitments detailed in Commission Order No. 18148.
- Develop a report on a scheduled basis outlining the progress of Exelon and PHI's compliance, detail issues each company encounters in meeting the commitments, provide OPC with recommendations as to how to respond to instances of non-compliance.
- Meet with representatives of Exelon and PHI on a regular basis
- Assist the Office with respect to the development of discovery in the form of data requests to PHI and Exelon and providing input into OPC's pleadings and testimony.

The successful offeror is expected to use their professional judgment to project a reasonable work plan for this assignment, resulting in the completion of the tasks for a fixed price.

OPC recognizes that there are limited circumstances where, for unforeseeable reasons, the scope of work will necessarily expand beyond that reasonably contemplated in the original proposal and, therefore, the Office will consider written requests for additional compensation addressed to the Office at least fourteen (14) business days prior to commencing the work for which additional compensation is sought to enable the Office to consider the request. No work may be commenced until the Office and the successful offeror have executed a contract amendment for the additional compensation.

SECTION 2 – INDEPENDENT CAPACITY; NON-ASSIGNABILITY

The successful offeror and any agents and employees thereof shall, in the performance of work under the proposal and this RFP, act in an independent capacity and not as officers or employees of the District of Columbia government. The successful offeror shall not assign nor transfer any interest under the contract resulting from this RFP without the prior written consent of OPC.

SECTION 3 – INDEMNIFICATION

The successful offeror agrees to indemnify, defend, and hold harmless the Office of the People's Counsel and the District of Columbia government, its officers, employees and agents from any and all claims and/or losses accruing or resulting to persons, firms, or corporations who may be injured or damaged by the successful offeror in the performance of its duties and responsibilities under the proposal accepted by OPC and also from and against any liability, including costs and expenses, for violation of proprietary rights, copyrights, or rights of privacy or confidentiality arising out of the publication, translation, reproduction, delivery, performance, use or disposition of any data furnished pursuant to this engagement or based on any libelous or otherwise unlawful matter contained in such data.

SECTION 4 – ACCESS TO RECORDS

The successful offeror agrees that OPC, through its authorized agents and employees, shall have the right to examine and audit such books, records, and other documents in the possession or control of the successful offeror as necessary to verify the fees, charges and expenses billed to the Office under this engagement.

SECTION 5 – CONFIDENTIALITY OF PROPOSALS, WORK PAPERS AND MATERIALS

The proposal filed in response to this RFP shall be considered a public document and will be available for public inspection upon receipt by OPC. The successful offeror agrees that the Office shall own and have unlimited right to all interim and final written testimony, exhibits, or reports, and that the successful offeror shall not assert any rights or establish any claim under existing copyright, patent, or data law as to such material or processes. The successful offeror further agrees that upon request it will submit to the Office original or legible copies of all work papers created by the successful offeror in support of its testimony, exhibits, or reports during the course of this engagement.

SECTION 6 – TERMS AND CONDITIONS

This RFP does not bind or otherwise commit OPC to enter into a contract or to pay any cost incurred in the preparation of a proposal in response to this request. OPC reserves the right to accept or reject any or all proposals received, to negotiate with all qualified sources, or to cancel or modify this RFP in whole or in part. OPC reserves the right to request additional written data, information, oral discussion, or presentations in support of any written proposal or portion thereof, which is deemed necessary to clarify any aspect of a proposal.

SECTION 7 – TERMS AND CONDITIONS

It is understood and agreed that if, through any cause or for any reason, the successful offeror fails to fulfill in a timely and professional manner the obligations under the successful proposal, or violates any of the terms of this RFP or contract entered into pursuant to this RFP, the Office shall have the right to terminate the contract by giving written notice of termination. In the event of such termination, all finished or unfinished documents, data, studies, testimony, exhibits, or other material prepared or being prepared pursuant to this engagement shall, at the option of the Office, become OPC's property and the successful offeror shall be entitled to receive just and equitable compensation for any reasonably satisfactory work performed.
