How to Apply by following the steps below:

1. Visit careers.dc.gov and create a new user account by clicking "New User." If you already have an account, click "Sign In."
2. Once you have logged in with your user account, click "View All Jobs" to see a listing of all vacant positions within the district government.
3. To filter jobs there are two steps; place the job title in the "search box" at the top of the page. Or search for the Office of the People's Counsel, in the Agency box on the left-hand side
4. View the jobs that interest you. When you are ready, click the green "Apply for Job" button to apply for the position.
